Dear Parents and Carers,

At Two Bridges Academy, we value working in partnership with you to support your child's personal development, wellbeing, and emotional growth. This letter provides an overview of the PSHE (Personal, Social, Health) content we will be teaching this term, including the statutory Relationships and Health Education (RHE) elements.

This half term, our topic is: **'Celebrating Difference'**

Themes we will be exploring include:

- Celebrating my Family
- Exploring Where I Live
- My School Family

RHE Focus:

- *Families and people who care for me:* Identifying and celebrating all who care for me

Through this unit, children will be supported at their individual level to:

- Explore their own families, through recognising / naming family members
- Celebrate all different types of families
- Explore familiar places, including home and school (through photos and objects)
- Recognising our school family

Key Vocabulary:
family, mum, dad, brother, sister, granddad, grandma, uncle auntie, step, cousin, different, home, house, school, belong, places around the home, friends, teacher, familiar, strangers

How you can support your child at home:

- Share family photos and name who you can see!
- Show photos of school / play videos from our school website, does your child recognise the building and people in the photos and videos?

Further information about our PSHE and RSE curriculum, including our policy, can be found on the school website.
If you have any questions or would like to discuss the curriculum further, please do not hesitate to contact me or a member of the Senior Leadership Team.

Kind regards,

Sarah Parkes
SEMH Lead
